

Membership Renewal Form

Every Highlands Plateau Audubon Society membership supports local programs, field trips, newsletters, and projects. As a member, you are an important part of our chapter and receive a one-year subscription to our chapter publications, *The Mountain Warbler*, *Mountain Warbler Buzz* and other communications to keep you informed about what we are doing and opportunities for you to participate.

Please note for 2020 renewals, “Friends” level and above, we are no longer able to renew your National Audubon Society membership. You must deal directly with National Audubon for your membership with them. Membership with Highlands Plateau Audubon Society is now separate, but we are still an authorized chapter of National Audubon, with no change in our relationship with them.
